

LCS-5250C-L/D-L

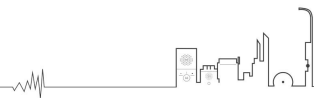

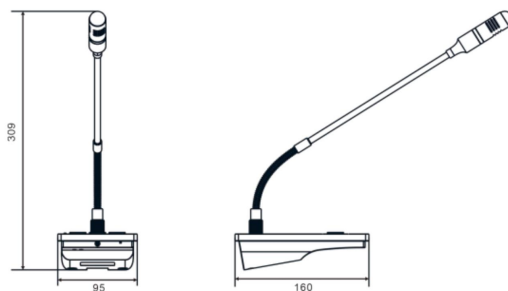

Chairman Unit & Delegate Unit

MAIN FUNCTIONS

- 1.Desktop installation ,with aluminum shell design.
- 2.With high quality sound pick-up.
- 3.Support Microphone loop connection.
- 4.Support independent volume adjustment.
- 5.Support independent EQ adjustment.
- 6.Support one button to forbid speech and request speech function.

DIMENSIONAL DRAWING

SPECIFICATION

POWER PARAMETERS

Power Supply:DC24V/0.5A

Power Consumption: ≤ 1 W

AUDIO PARAMETERS

Audio Codec:MP3/PCM/ADPCM

Audio Sampling Rate ,Bit Rate:8Khz-44.1Khz,16bit,8Kbps-320kbps

SNR: ≥ 83 dB

Frequency Response:40Hz-18KHz

MECHANICAL & ENVIRONMENTAL PROPERTIES

Mounting Method:Desktop

Installation Environment:Dry Indoor Locations

Product Color:Black

Shell Material:Aluminum

Working Temperature:0°C~+45°C

Working Humidity: $\leq 90\%$, No Condensation

Product Dimensions (mm):160×95×309mm

Warranty:2 Years

INTERFACE

RJ45 Port *2

ACCESSORIES

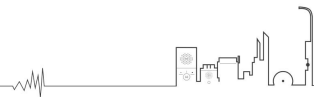

1×Network Cable(1M)

2×Waterproof Tail Connector

1×Quick Installation Guide

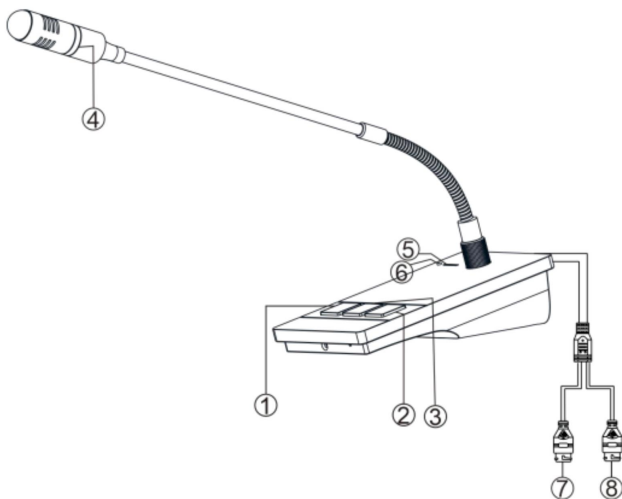

1×Quality Certificate

1×Warranty card

INTERFACE DESCRIPTION
